

Fall Feedback – Where Should We Focus?

Academic Excellence

- Address technology gap
- Optimizing services to meet needs when they are needed
- Refocus on career discussions / onboarding
- Mentorship
- Short-term credentials / non-credit to credit
- Close achievement gaps
- Learning plan
- Clarify 4yr pathways to baccalaureate

Economic Mobility

- Review programs – wage connection & workforce needs
- Stackable credentials
- Utilize Career and Academic Communities
- Increase work- based learning opportunities
- Poverty area focus
- Transfer ease
- Embed Soft Skills into curriculum
- Build stronger pathways from HS and lower
- Track from graduation to employment

Community Engagement

- Embed into programs – require
- Clarify option for engagement
- One place to find resources
- Showcase SPC offerings and current work
- Build internal community engagement – create clear process
- Community partnerships to meet needs
- Need a partnership database
- Make engagement part of everyone's PD plan - require
